

## Announcing our new Catalog #46 and Wiring Guide #19.

Catalog 46 features coverage of our existing and new products printed in full color! This includes sounds for Trains and Model Boats. Available in high end and standard type sound systems with three model types to choose from. We offer them for DC, DCC, Radio, Other Receivers, and Stationary Use, as well as the 1½" operators. Also sound systems with automated

Horn/Whistle patterns for the "G" operator in mind along with sound systems for the AC operators. Speakers in many different configurations and power ratings for use with many sound systems. Lighting systems with variable output settings for any type of track power or stationary use. Detection products that are compatible with most any system, a powerful hand held Yard Master throttle. Grade Crossing items as well as lots of different connectors, miniature lamps, ultraminiature lamps, and LED's, including the popular incandescent white LED's.

Catalog 46 consists of over 54 color filled pages and costs \$12.00 via U.S. mail.

Our Model RailRoaders Wiring Guide #19 is now released. It features updated and new drawings with our existing and new products covering 58 pages.

Our Model Rail Roaders Wiring Guide is \$17 via U.S. mail.

Both are offered @ \$25 via U.S. mail delivery. Outside U.S.A. please add additional postage. (U.S. funds only - no stamps!) or FREE via the Internet.
