

Announcing our new Catalog #30.

Our new catalog features coverage of our existing and new products.

Catalog 30 shows our full line of products printed in full color! This includes sound for DC, AC, DCC, Radio, other receivers, and stationary use. Speakers in many different configurations and power ratings for use with many sound systems. Lighting systems with variable output settings for any type of track power or stationary use. Detection products that are compatible with most any system, the only full featured regulated DC throttle system - our Engineer throttle, plus our hand held Yard Master throttle. Lots of different connectors, miniature lamps, ultraminiature colored "grain of wheat" lamps, and LED's, including the popular white LED's.

Catalog 30 consists of 54 **color** filled pages and costs \$7.50 via U.S. mail delivery. Outside U.S. please add additional postage. U.S. funds only - no stamps!

Our Model Rail Roaders Wiring Guide is \$7.50 via U.S. mail.

Both are offered @ \$14.00 (includes U.S. p/h) or free via the internet.
