

Announcing our new Catalog #39.

Our new catalog features coverage of our existing and new products.

Catalog 39 shows our full line of products printed in full color! This includes sounds for Trains and Model Boats.

The sound systems work for DC, AC, DCC, Radio, other receivers, and stationary use, as well as the 1½" operators. Also sounds with automated Horn/Whistle patterns for the "G" operator in mind. Speakers in many different configurations and power ratings for use with many sound systems. Lighting systems with variable output settings for any type of track power or stationary use. Detection products that are compatible with most any system, the only full featured regulated DC throttle system - our Engineer throttle, plus our hand held Yard Master throttle. Lots of different connectors, miniature lamps, ultraminiature lamps, and LED's, including the popular incandescent white LED's.

Catalog 39 consists of over 50 color filled pages and costs \$7.50

Our Model Rail Roaders Wiring Guide is \$7.50 via U.S. mail.

Both are offered @ \$14.00 via U.S. mail delivery. Outside U.S.A. please add additional postage. (U.S. funds only - no stamps!) or free via the Internet.
