

Announcing our new Catalog #41.

Our new catalog features coverage of our existing and new products.

Catalog 41 shows our full line of products printed in full color! This includes sounds for Trains and Model Boats. We offer high end and standard type systems in three models. We offer them for DC, DCC, Radio, Other Receivers, and Stationary Use, as well as the 1½" operators. Also sound systems with automated Horn/Whistle patterns for the "G" operator in mind along with sound systems for the AC operators. Speakers in many different configurations and power ratings for use with many sound systems. Lighting systems with variable output settings for any type of track power or stationary use. Detection products that are compatible with most any system, a powerful hand held Yard Master throttle. Lots of different connectors, miniature lamps, ultraminiature lamps, and LED's, including the popular incandescent white LED's.

Catalog 41 consists of over 50 color filled pages and costs \$8.00 via U.S. mail.

Our Model Rail Roaders Wiring Guide is \$8.00 via U.S. mail.

Both are offered @ \$15.00 via U.S. mail delivery. Outside U.S.A. please add additional postage. (U.S. funds only - no stamps!) or FREE via the Internet.
