

# HiLine™ Auto-W/H/B

HiLine™ Sound Unit Auto Horn/Whistle/Bell  
input harness with reed switches

Item #1589

\$15.00

Connect Whistle/Horn and Bell reed switch wires to the three connector wires.

Plug 3 pin connector into the AHB connector.

All other connections need to be done as per the instructions for your installation except for the motor wires (J1 Blue and Yellow). They do not get connected since they are not used when operating when doing a synchronized chuff.
