

New AC Sound System

Our new AC Sound System operates with any style E-Unit, new or old. The Horn/Whistle and Bell operate via the standard buttons used in the industry as well as with our

LocoMatic™ Controller.

We offer many different

sounds for Steam

Locomotives as well as

Diesel's, Electrics, and

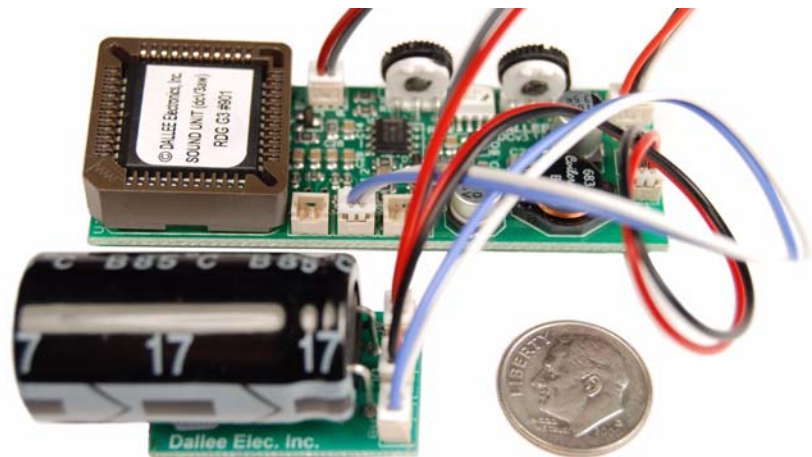

various other railcar's.

The system features our standard sound card and a power board to interface with AC track power. The

leads between the boards are 6" in length which

allows for various placement of the two boards. Pricing for any type is \$119.95 plus

s/h. An 8 ohm speaker is required. High efficiency speakers, as well as more details can be found in our catalog or web site. Ordering information is on our web site as well.

Catalog 41 consists of over 50 color filled pages and costs \$8.00 via U.S. mail.

Our Model Rail Roaders Wiring Guide is \$8.00 via U.S. mail.

Both are offered @ \$15.00 via U.S. mail delivery. Outside U.S.A. please add additional postage. (U.S. funds only - no stamps!) or FREE via the Internet.

You can find us on the web at **www.dallee.com**.

All email should be directed to "info@dallee.com". Please don't forget to put a subject title into the subject line, otherwise your email will be deleted as SPAM. Also, when sending email to us, don't forget to let your ISP know that you are expecting email from us so that we aren't deleted as SPAM to you as well.

We sell direct and to qualified dealers.
